Hi Folks,

Well this is our first list of 2012, I really expected to have this out in early January but time flies. The FUN Show was busy and except for a quick 3 day trip back to NY we have stayed in Florida. Several dealer friends have visited from as far away as Northern California, the North East and Arizona. This has kept us quite busy.

Regarding my comments last time leg 4 of our ICW boat trip went real well from Savannah to Ft Lauderdale. Joan had a good time and that really pleased me. We saw lots of interesting places and met friends along the way, including some new ones who are doing similar cruising. The 5<sup>th</sup> leg from Ft Lauderdale to Cape Coral on the west coast was highlighted by a 1 1/2 day stop in Key West and a brief fishing trip. This part of the trip Joan did not go on, it was all guys. The fishing trip was somewhat of a drag until the last hour where we boated 5 Bonita, cut lose 2 Barracuda and guess who caught his first ever Sailfish which we released after some photo's.

In 2 days we head back to NY for 2 days to pack for the Long Beach Show. The market remains active with precious metals starting to heat up after stabilizing over the past month. We expect the winter to be very active in the coin market. This list has some great variety and hopefully you will find something irresistible for your collection.

LIST 260, February, 20112

Happy Collecting  
Harry
